

# Happy Buddies' Dog Walking Responsibilities

I take my responsibilities as your furry companions Dog Walker very seriously. To me, it isn't just a case of collecting your dog, walking them, picking up their poop and then returning them! Oh no – I do a lot more than that!

## Here's what my responsibilities are:

- To pick up and drop off your dog from your home
  - To ensure the security of your home when picking up and dropping off your dog
  - To understand special requests and conditions for your dog
  - To walk your dog outdoors in all weather conditions (unless these conditions make it dangerous to drive in, for example heavy snow)
- 
- To transport your dog safely to and from your home in my van
  - To give your dog love, affection and attention
  - To ensure your dog is getting exercised (both physically and mentally) and having potty breaks

- To ensure the safety of your dog and others that I am walking and those around me (humans and dogs)
- To remove your dog's poop
- To send you photos and/or videos of your dog so you can see how they are doing (if you have Whatsapp)
- To refresh water, wipe paws and give treats
- To feed your dog (if required)
- To administer pills to your dog (if required)
- To communicate with you and schedule appointments
- To conduct an initial consultation with new clients and fill out client information sheets
- To update you with a Doggy Daily Report Card after each walk.
- To answer enquiries related to my services and your dogs
- To record which dog(s) I walked, how long the walks were and anything abnormal that I noticed during the walk
- To manage my own schedule via my diary, phone, email and text
- To keep track of my time
- To ensure that we all have FUN!
